

## Manzanita Fourth of July Parade July 4, 2017

- ✓ **Only the first thirty auto entries received will be allowed in the parade.**  
People have complained that the parade is too long and the City is taking this step to try to address this.
  
- ✓ **If you stop to perform, please keep the stops no longer than 30 seconds.** These stops create gaps in the parade. Gaps create safety issues when spectators think the parade is over and move into the path of the oncoming parade. Parade marshals will be stationed along the parade route to keep the parade moving and address this problem.
  
- ✓ **Candy or other items may ONLY be passed out or tossed gently underhand to children and other spectators at the curb.** Nothing may be thrown or sprayed from any vehicle, float or other parade entry. See Rule #1 on the registration form.

Thank you for your cooperation!

**Entrants must observe the following established parade rules, regulations and entry criteria:**

For example, no pyrotechnics, water gun shooting, throwing of food, candy, toys, paper, or discharge of firearms (including blanks) will be allowed. Nothing may be tossed or thrown which might require or tempt spectators to move into the street to retrieve. Candy or other items may be passed out or tossed gently underhand to children and other spectators at the curb. An entry or person ignoring this rule is subject to removal from the parade and/or future parades.
- Parade Marshalls:** Volunteers from the Emergency Volunteer Corps (EVC) wearing yellow vests will be acting as parade marshals. Please follow their directions to ensure a safe and fun parade.
- Stops to perform:** Gaps are created by parade participants during the parade. Gaps create safety issues when spectators think the parade is over and move into the path of the oncoming parade. If you are asked to move along, remember it is for safety's sake!
