

Beach Street Improvement Project

The City Of Manzanita is upgrading Beach St. from Merton Ln. to Tie Ln.

The contractor, Pacific Timber LCC, will be on site Monday, June 7th to start work.

Manzanita City code allows construction work from 7 a.m. to 6 p.m. seven days a week.

Water outages will take place during the waterline improvement portion of the project. 24 hour notice will be given prior to turning the water off.

Access to local traffic and driveways will be impacted on a limited basis, mainly during the concrete gutter work and final paving. Notice will be given when access to driveways is limited.

PRIVATE

DRIVEWAYS

If your property is located within the scope of this construction project and are interested in having your driveway paved by this contractor, City-required permits will be waived if the work is done by Pacific Timber LLC during this project. For more information on private driveway work, please call Dale McDowell from Pacific Timber LLC at 503-741-0765.
