Steps to Take if You or Someone in Your Party Develops Covid-19 Symptoms While in Manzanita

While it is unlikely that anyone in your party will exhibit symptoms of the coronavirus virus while in Manzanita, it is important to know what to do should it occur. For example, who to call? Where to find helpful resources? The following provides basic guidance on where to turn should symptoms suddenly appear during your trip to beautiful Manzanita.

Who do I call?

Tillamook County operates a COVID-19 help line, Monday – Friday, 08:00 a.m. – 5:00 p.m. **The number to call is (503) 842-3940.** A public health nurse can help you make decision on what the next course of action should be. During weekend and after hours, you may contact either your primary care physician or call a local urgent care or emergency room near you.
