## *Daily Log of Manzanita Activities*

While it is unlikely that anyone in your party will exhibit symptoms or contract the coronavirus virus while in Manzanita, the ability to identify potential points of infection is important to the public health of the community. By keeping a daily log of your activities, it will help you recall all the great things you did while in Manzanita. Please keep a completed copy of this document for at least 21 days after returning to your primary residence. Thank you for your cooperation.
