City of Manzanita

167 S 5th Street

Manzanita, Oregon 97130

To the honorable Mayor Mike Scott, the members of City Council, and City Manager Cynthia Alamilo:

Thank you for offering to meet with us to further discuss potential changes to our operating agreement with the City of Manzanita. We appreciate the City's clear support of the farmers and businesspeople in our community, but also recognize the uncertainty surrounding the current state of the pandemic in Oregon. With this in mind, we respectfully withdraw our request for a second meeting with the City Council on July 8.

Sincerely,
