Manzanita, OR 97130-0129

To: Manzanita City Council & Manzanita City Manager

Date: 12/6/2020

Re: Reservoir Site Grant

City staff had its first grant kick off meeting to start the reservoir replacement. This grant is to study and validate the site for new reservoirs, alternatives, and 10% engineering. Two contracts will need to be put into place. The first is attached with this memo. It is the contract between Oregon Emergency Management & the City of Manzanita. A copy has been sent to James Walker are legal council for review. The second contract will be with HDR engineering. Dan Johnson of HDR has been working with staff on this grant and completed the Water System Resilience Study. This contract will be brought to council at its next meeting.

Thanks,

Dan Weitzel
