To Whom It May Concern

The City of Manzanita has been approved to seek a grant under the ODOT Path Program, for a much-needed pedestrian trail. This trail will improve safety not only for pedestrians, but for all who use the roadways next to the proposed trail. This trail traverses areas within the City, County and State making this a true multijurisdictional endeavor.

At the January 6, 2021 regular City Council meeting. The Manzanita City Council endorsed a letter of support, that is to be included as part of the grant application process.

Our Council enthusiastically approves the submittal of this grant application and hopes that this project will be successfully completed.

Sincerely,

Mike Scott
Mayor of the City of Manzanita
