COUNCIL MEETING JANUARY 6, 2020

TO: Mayor and City Council
FROM: John Kunkel Interim City Manager
SUBJECT: Cherry Trail Timeline and Projected Cost

RECOMMENDATION

Council direct staff accordingly

EXECUTIVE SUMMARY

At the last Council meeting it was consensus of Council to have the Mayor and the City Manager develop a “next steps” timeline concerning the proposed Cherry Trail. Along with the timeline, costs associated with the development of the trail were inputted. In your packet is the timeline and cost. (TAC has stated they would pay for the construction of the trail, but if the City is going to, at some point, become responsible for the trail, it must be built to City standards). The cost and scope of the project was reviewed by Kyle Ayers of Otak and he concurred with the items and cost associated with them.

FISCAL IMPACT

Approximately \$98,000.00. This project is not budget in this year’s budget.
