John Kunkel, Interim City Manager
City of Manzanita
PO Box 129
Manzanita, Oregon 97130

John,

This is my annual letter to the Manzanita City Council asking permission to sell fireworks during a two-week period in June and July 2021.

I have permission from Chung and Judy Lee to set up in the Manzanita Grocery & Deli parking lot. I will submit a letter they have signed with their approval. We will be using the City Restrooms. Western Fireworks is taking care of the license issued by the State of Oregon.

All the fireworks we will be selling are legal in the State of Oregon. We will also be selling other items associated with this 4th. of July Holiday, such as patriotic hats, banners, and miscellaneous decorations.

All persons associated with the booth are volunteers and all profits from sales are donated to local non-profits. The non-profits have yet to be determined but again, they will be local. All volunteers will have both Covid-19 injections.

Many thanks for your time in this matter. Please contact me if there are any questions.

Respectfully,

Patty Rinehart
