Persons interested in the proposal should become involved in the land use decision-making process. Any one desiring to speak for or against the proposal may do so in person or by representative at the hearing. The Planning Commission's review is for the purpose of making a decision on the proposal. A decision by the Planning Commission to approve or deny the application will be based upon the above listed criteria and these criteria only. At the hearing it is important that comments relating to the request pertain specifically to the applicable criteria. Failure of an issue to be raised in the hearing, in person or by letter, or failure to provide sufficient specificity to afford the decision-maker an opportunity to respond to the issue precludes appeal to the Land Use Board of Appeals based on that issue.

If you need any special accommodations to participate in the hearing, please notify City Hall 24-hours before the meeting.
