The Planning Commission's review is for the purpose of making a decision on the proposal. A decision by the Planning Commission to approve or deny the application will be based upon the above listed criteria and these criteria only. At the hearing it is important that comments relating to the request pertain specifically to the applicable criteria. Failure of an issue to be raised in the hearing, in person or by letter, or failure to provide sufficient specificity to afford the decision-maker an opportunity to respond to the issue precludes appeal to the Land Use Board of Appeals based on that issue.
