DESCRIPTION

G250

Scope of Work

Furnish and install one (1) roof mount and one wall mount Nulmage Pro G-250 motorized retractable Awnings. Includes wireless wind sensor for added protection against strong winds, these will be installed and calibrated during installation.
Frames color: Espresso.
Fabric: Sunbrella Logo Red

Total \$ 18,223.10
Due Now \$ 9,111.55

Dimensions:
Roof mount - 11' width x 8'6" projection (this is the max projection for this width, if we moved to a 12' width, includes ledger board, we could get a 10'2" projection)
Wall mount - 17' width x 14'6" projection (please confirm max projection desired). Mounting beam to be constructed prior to install.

This job does not include permits

Availability: Approx. 8-12 weeks after receipt of all information.

TERMS AND CONDITIONS

If you wish to proceed with this agreement: where applicable, please indicate preferred options, sign & return a copy of this agreement for our files.

TERMS: 50% deposit due upon acceptance and balance due upon completion. This becomes a binding contract if accepted by both parties.
