GENERAL REQUIREMENTS

1. Work shall not commence prior to the issuance of a permit. The permit will not be valid until all required documents and fees have been received by the city.
2. Provide plans and detailed drawings showing property corners, material type and location of use or construction.
3. The applicant certifies that all applicable rules and regulations will be adhered to.
4. Any changes in construction from submitted plans must be made in writing by applicant and approved by staff.
5. Failure to follow items set forth in the approved permit will result in a stop work order and/or civil penalties.
6. Submit all required documents and application to: building@ci.manzanita.or.us
