Hello! This message was in my inbox, unread until today. Not sure if it needs to be added to the record. Cathy Silver was a participant in the meeting.

Cheers,

Hi Karen, I didn't realize you were the head of the Planning Committee for Manzanita. I am trying to get educated on a large development at the end of my street on Schooner Way. 60 units. I saw the meeting announced on BBQ. I want to comment on the lack of accessibility for the meeting today at 4 PM. I'm not certain I can even sign on to the zoom which is tucked quietly away on the website.

I am requesting that a public hearing be granted so that people can give their input in person. This entire neighborhood will be affected by this huge project. Karen, already, traffic on the road to Cartm and state park is awful. Many close calls, everyone speeds with their huge RV's and it is not a safe area there by the graveyard. I sincerely request that there be a public hearing. The information has not been clear, even including a phone number that no one answers.

Will you give this idea your consideration? I only recently got a look at the plans and these buildings are HUGE~!!!!!!!!!!!!!! I thank you for this consideration, Karen. Cathy Silver
